

Hello Mount Shepherd Families,

Welcome to the Mount Shepherd 2022 summer program! We are ecstatic to offer summer camp to your child this summer. This ministry is a special privilege and honor. We are excited to work with you in the coming months and weeks to prepare for the best week of the summer. Please take time to **review the materials in this packet**. If you have any questions or concerns, do not hesitate to reach out to us. We view this camp experience as a *partnership* with you to assist you in the excellent work you're already doing as a parent. We want to be good partners. And this packet is a starting point for that.

As you know, summer camp has the potential to transform lives forever. Mount Shepherd has had the unique opportunity to offer this kind of transformation for more than 60 years. Beyond ensuring the safety of your child and providing exciting experiences, we strive to cultivate a community where your child feels like they **belong** and where they can grow in **self-confidence**. We institute practices that encourage self-reflection and personal growth.

All of this is fundamental in us accomplishing our Christian mission. At camp your child will experience Christian community--sharing prayers before meals, singing campfire worship songs, hearing devotions from our college-aged staff, and learning and growing through adventure experiences. We are intentional to create a space where your child will be invited into a deeper relationship with God. At the same time, we are careful to create a space where no child is shamed or scared into making decisions. We offer graceful invitations to learn more about the God revealed in Jesus Christ.

Allow me to end this letter by offering gratitude. All of the magic at camp happens because of the hard work and dedication of our staff. If you call or email our office, you'll likely encounter Cindy Hayes. Cindy is a phenomenal resource for communicating with us ahead of camp. And of course, our summer camp has been shaped by Christina Gibbs. She has created and refined an excellent program. Lastly, our summer staff are a collection of young people from across the state (and world!) who will spend two weeks in training and eight weeks in service to our families! I thank God for them and their good work!

Grace and peace,
Josh Britton
Executive Director, Mount Shepherd

The application for scholarships must be filled out while registering your camper.

Camp Store

Visiting the camp store is a fun and exciting experience for campers. All campers will visit the store at least twice during their week at camp. The camp store has items ranging from \$1 to \$30. Items sold include: t-shirts (short & long sleeve), sweatshirts, Nalgene water bottles, bandanas, snacks, drinks, toiletries and more.

Camper's purchase items from the store with their store cards. Each camper's store money is kept on their own store card. Money can be added to a store card during the registration process or during check-in. All money collected for a camper's store card is recorded and maintained by a senior staff member. We highly encourage that campers do not keep cash in their belongings. This is to ensure that their money is not lost or stolen. If your camper has \$1 or more on their store card at the end of their camp week, we will refund them during check-out. If they have less than \$1, we transfer the money to our scholarship fund.

Store purchases can be made during check-in and check-out, but payments must be made using cash, check, or credit/debit card. The camper's store account is not available during those times.
